Vous avez profité d'un Passeport Attraits?

Assurez-vous de bien connaître les [termes et conditions du Parc Découverte Nature](#)

Ce Passeport Attraits vous est offert grâce au soutien financier du ministère du Tourisme.

If you have symptoms of Covid-19 or have been in contact with someone with Covid-19, please do not show up, please comply with the government-recommended 14 days confinement.

Please Respect social distancing (2 meters) at all times.

Foresta Lumina is open either good or bad weather conditions, except when trails are temporarily closed for safety reasons. In the event of a cancellation, decision will be taken internally and available from 3 pm.

**Ticket:** It is valid for the current season only. If you cannot print your ticket, keep your confirmation on your portable phone or mention your name or order number upon arrival. The time you booked is a time space so for example, if you booked a ticket for 9 pm your departure is assured between 9 pm and 9:10 pm. **You must show up at the exact time indicated on your confirmation.**

**Cancellation:** If we need to cancel certain time schedules, a purple banner will appear at the top of our website starting at 3 pm and the information will also be on our Facebook page under: Parc de la Gorge de Coaticook & and or Foresta Lumina. It is therefore your responsibility to verify in case of bad weather conditions if the events are cancelled. Guests will then receive an email during the day to give them the procedure to postpone their visit to a later date for the current season. If you do not see a purple banner around 3 pm, Foresta Lumina is open.

**Security:** The entire experience takes place outside within the Canyon's trails which are partially leveled but not asphalted. These paths are not recommended for people with reduced mobility since they consider several step levels, downhill and climbing as well as the crossing of the Canyon's suspended footbridge. No drugs or alcohol. Using a baby carrier is recommended although strollers are not recommended including the off-road/sports models. Pets are not allowed on site. Although, please note that we cannot let you in before your reserved time space if you arrive earlier.

**Warning:** The entire Foresta Lumina experience takes place outdoors. For safety reasons due to partially leveled but not asphalted trails it is important to wear adapted footwear and remain cautious at all times in order to avoid risk of injuries (sprain, bone fracture etc.). When acquiring your tickets, you undertake the activity **ACCEPTING THE RISKS** and **ACKNOWLEDGING THE CAUSES** entailed by this activity. You agree to play an active role in managing these risks by taking a precautionary attitude towards yourself and other individuals in your surroundings.

**No modifications. No refunds.** Service charges are non-refundable even if the activity is cancelled by the direction.
